## BOOSTER CLUB MEETING

(Continued From First Page)

that time the booster club was pushing the street car line and members of the interurban company thought the interurban proposition was presented at the same time it would interfere with the street car line and make it impossible to raise the bonds. The company does not desire to interfere with the street car but members had contributed liberally to the street car bonds and aided in person work to get subscriptions. The interurban company is favorable to the street car line and hopes it will be consummated. It was also necessary to find what could be done in the country along the line before a definite proposition could be made to Greenville. It was also necessary to form the company of representative citizens because the investors paid as much attention to the personal of a company as to the enterprise itself.

Major Nichols then presented the following proposition:

**STATE OF TEXAS,**  
County of Hunt.

Whereas, the Eastern Texas Traction company has submitted the following proposition to the citizens and property holders of the City of Greenville: That it does and would undertake to construct and operate an interurban railway between Greenville and Wolfe City according to the terms of its charter, for and in consideration of sixty thousand (\$60,000.00) Dollars cash bonus to the said company and on part of the citizens and property owners of the City of Greenville, on the following terms and conditions:

First, That every dollar contributed and paid in on this proposition is to be and shall be expended in the construction of the road.

Second, That each amount of money contributed shall be due and payable at any bank in Greenville, Texas, as follows:

Fifty (50) per cent thereof within ten (10) days after the completion of the roadbed for said interurban rail way between Greenville and Wolfe City, the balance thereof within ten (10) days after the first car is run for traffic between Greenville and Wolfe City.

It is especially understood and agreed that each subscriber hereto is not bound and does not obligate himself as surety for any other subscriber or hereto, and obligates and binds himself only for the amount he has individually subscribed, according to the terms and conditions as set forth hereinabove.

This obligation is conditioned, however, that the said interurban road is located and the grading completed within eighteen (18) months after the first day of July, 1910, then this obligation shall remain in full force and effect, otherwise it shall become null and void.

The following committee was appointed to solicit:

R. M. Chapman, chairman; W. H. Bush, L. L. Bowman, J. H. Whitley, James Armstrong, P. J. Phillips, L. A. Clark, J. O. Harty, W. B. Wile, A. S. Moore, H. T. Weathers, George H. Collins, W. N. Moore, S. A. Hill, Charley McLaughlin, E. V. Eide, Jack Eide, Bob Canale, J. Brooks, J. B. Brooks, W. A. Martin, J. F. Harris, Barney Fields, W. Winchester, R. M. Chamberlain, W. C. English, J. F. Lattin, Earl Pennington, George W. Wilson, T. E. Byrd, J. L. Collins, J. T. Craddock, Walter Pierson, H. W. Williams, H. L. Chamberlain, Douglas King, W. A. Perkins, C. W. Goss, Mr. Murphy (On Mail), Dr. T. Swisher, R. H. Jones, J. W. McLaughlin, Dr. H. T. Arvin, J. E. Goss, J. M. Goss, George Landrey, J. C. White, J. W. Castberry, R. D. Wade, W. A. Priest, I. W. Ruck, Dr. Archie Morris, Sam Norenberg.

J. H. Murphy made a talk about the proposition that the company will build the line. Anyone who has business sagacity knows it would not be a business proposition for the twelve men engaged in business to build the road themselves. They are not financially able to do so, and it would not be a paying proposition for the amount of money required from an investment point. The bonus is considered a fair proposition for Greenville and the road will be worth more to the business interests and property holders of the city than the \$60,000.

Will N. Harrison spoke along similar lines and thought the proposition a fair one.

Several others spoke briefly and all were enthusiastic in favor of securing the road.

It gave me more relief than any medicine I had ever used and it will do you all claim in cases of rheumatism."

**Saves An Iowa Man's Life.**  
The very grave seemed to yawn before Robert Madison, of West Burlington, Iowa, when after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvelous curative power of Kline's Bitters. For after eight months of fruitless suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors five bottles of this marvelous medicine completely cured him. It's positively guaranteed for Stomach, Liver or Kidney troubles and never disappoints. Only 60c. at all druggists.

**Not Sorely for Blunder.**  
"If my friend had been in the hospital I was doomed, victim of consumption, I might not be alive now," writes Dr. T. S. Sanders of Harrodsburg, Ky. "But for your medicine, getting no help from other remedies or doctors five bottles of this marvelous medicine completely cured him. It's positively guaranteed for Stomach, Liver or Kidney troubles and never disappoints. Only 60c. at all druggists."

**TIME IS THE TEST.**  
The Testimony of Greenville People Stands the Test.  
The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and men alone will stand the test of time.

Greenville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that a cure that lasts is the kind that every sufferer from kidney ill is looking for?

J. S. Henry, South Hill, Greenville, Texas, says: "I have had no occasion to use Doan's Kidney Pills or any other kidney remedy since 1902. At that time I gave a public statement, recommending Doan's Kidney Pills and telling how they had cured me of a severe attack of kidney complaint. As the result of this trouble, my back ached so severely at times that I could scarcely get around. My kidneys were also disordered and the passage of the kidney secretions were irregular. Learning of Doan's Kidney Pills, I procured a supply from Ford & Pennington's Drug Store and they cured me promptly. I consider Doan's Kidney Pills the best remedy for kidney complaint to be had."

For sale by all dealers. Price 50 cents. Foster-McMurray Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
